

GLP-1 SUPPORT BUNDLE

PROTEIN POWDER

Pure Vitality Protein Powder is more than just a protein shake — it's a vital part of your wellness journey. With zero sugar, this grass-fed whey protein supports your body's nutritional needs without artificial sweeteners or fillers. It contains beneficial omega-3s, CLA, and digestive-supporting prebiotics and probiotics to keep your gut and metabolism functioning at their best.

With added Fibersol, Pure Vitality Protein helps you feel fuller longer. Whether you're using it for breakfast, post-workout recovery, or a healthy meal replacement, it helps you stay full, energized, and on track with your weight goals.*

HI PHENOLIC

HiPhenolic is a high-concentration, highly purified polyphenolic blend that provides multidimensional support to maintain normal blood pressure levels, manage weight, and increase satiety and appetite control..

Recommended Use: 2 capsules per day or as recommended by your health care professional.

FIBER MGP

Fiber MGP is a next-generation fiber supplement designed to promote a healthy gut microbiome, support satiety and weight management and aid in healthy bowel function. Fiber MGP provides 11g of fiber strategically designed for gentle digestion and optimal tolerance.

Recommended Use: Mix 1 scoop (16.7 g) with 6-8 ounces of water or your preferred beverage, once daily or as recommended by your health care professional. Use with liquids below 140°F for best results..
